

## **ACADEMIC STANDARDS POLICY**

Student individual academic success is a priority of teaching and learning at Mindarie Senior College. All learning programs focus on the successful attainment of academic goals and a student's successful transition to a preferred pathway at the completion of Year 12.

In order to achieve this outcome all students in Year 11 are required to achieve the minimum standard of **four A, B or C grades** (or equivalent) in their courses.

The College expects that students will achieve a 'C' grade or above (or equivalent) in all subjects studied. A 'C' grade equivalent is achieved in VET courses by the achievement of all Units of Competence.

Students studying an ATAR pathway need to achieve a minimum predicted ATAR of 65 by the end of Year 11.

Students who do not meet this minimum academic standard will be expected to move to a General pathway, repeat Year 11 the following year or seek alternative training or employment.
