How did you hear about Mindarie Senior College

Dear Parents/carers

Student Travel Permit

The Public Transport Authority (PTA) advises that all new secondary students are eligible to receive a Student SmartRider concession card. The Student SmartRider card will be similar in size to a credit card and will be made available for all students throughout the state.

Parents/Carers should be aware that students will require a Student SmartRider to access concession travel on Transperth, bus, rail and ferry services, and Transwa country road and country rail services.

In order to issue the cards in the first instance the PTA requires that parents/carers give their permission for schools to provide student details to the PTA, for the purposes of registering the student for concession travel, and to enable the Student SmartRider to be produced. Only students, who provide parent/carer permission for the release of these details, will be issued with a card through their school. The information that will be released is student name, date of birth, address and student number. (Student address is NOT shown on the SmartRider card).

The PTA must comply with the privacy requirements for the public sector and as such will only be using the information provided by the school for the issuance of the Student SmartRider concession card.

If you wish your child to be issued with a Student SmartRider free of charge through their school, you should sign the attached permission and registration slip and return it to your school ASAP. (NB: Mindarie Senior College will charge \$5.00 to replace a lost/stolen or damaged card).

If the school does not receive the signed permission slip, your child's student information will not be released to the PTA.

If you do not wish your child to be issued with a Student SmartRider through this process, but your child still requires a Student SmartRider concession card, then you will need to go to a Transperth Information Office and apply for one. You will need to provide proof that your child is enrolled at a school and pay a card fee of \$5.00 for the purchase of the card if you wish to apply for a Student SmartRider in this way.

Please contact your school or the Transperth Info Line on 13 62 13 if you have any further questions.

Yours sincerely

Mark Burgess

Dear Parent/Guardian

Our school provides access to Department of Education online services. These enhance the contemporary learning opportunities available to students and the range of teaching tools available to staff to deliver the senior secondary curriculum and the College requires your approval for your child to be given access to these online services.

The Department's online services currently provide students with access to:

- individual email and calendar accounts
- the Internet, with all reasonable care taken by central office and schools to monitor and control students' access to websites while at school
- online teaching and learning services such as web-conferencing and digital resources
- online file storage and sharing services
- these on-line services at locations other than school.

If you agree to your child using these online services, please sign the permission slip below.

Please note that while every reasonable effort is made by schools and the Department to prevent student exposure to inappropriate online content when using Department provided online services, it is not possible to completely eliminate the risk of such exposure.

You should be aware that the Department has the right to review, audit, intercept, access and disclose messages created, received or sent over Department online services. Logs of email transactions and internet access data are kept for administrative, legal and security purposes and may be monitored. Similar to other corporate records, emails and internet access records are discoverable in the event of legal action and are subject to provisions of the Freedom of Information Act 1992. (www.foi.wa.gov.au)

You should also be aware that general internet browsing not conducted via the Department's network is not monitored or filtered by the Department. The Department encourages close family supervision of all internet use by children in locations other than school, and strongly recommends the use of appropriate internet filtering software. Advice on managing internet use at home can found on the Office of the E-Safety Commissioner website (<https://www.esafety.gov.au/parents>).

In addition, the College uses a number of third party software applications to support administration and student learning and these providers may require personal information to be disclosed to them. Some applications only require the College to notify you they are being used. Another group of applications require your consent as a 'bundle'. Which applications are used may vary depending on students' subject choices.
